TRAVELLING TO FIJI

Planning your holiday during this time can be overwhelming so we've compiled everything you need to know about travelling to Fiji right here.

PLANNING YOUR TRIP

Before you book the next flight out to Fiji, please:

Check your country's travel requirements to and from Fiji

Familiarise yourself with entry requirements for Fiji's Travel Partner countries

Book with a Care Fiji Committed Certified resort or an Approved transfer or tour operator. Look for the CFC logo on the Tourism Fiji website – **www.fiji.travel**

Travellers entering Fiji must have medical travel insurance, with international coverage that covers COVID-19 before travelling.

Along with packing swimsuits and sunhats, don't forget the following:

Provide proof of your full vaccination with a Fiji recognised vaccine (Astra-Zeneca, Pfizer, Moderna and Johnson & Johnson vaccines)

Produce a negative RT-PCR test 3 days prior to boarding your flight.

Present a confirmed booking (at least 3 Nights) with a certified CFC accommodation provider before boarding your flight.

Download and activate the careFIJI contact tracing app to use in Fiji.

Defer travel if you're symptomatic or feel unwell.

ON HOLIDAY

Whenever you're in public please practice these simple steps to keep yourself and others safe:

Take a rapid COVID-19 test at your certified CFC accommodation provider 48 hours after your arrival in Fiji.

Use only CFC approved tourism operators and experiences in the first 48 hours.

Follow Fiji's COVID-safe protocols (mask, social distancing, check in careFIJI app QR codes.)

Please avoid vulnerable communities in "low vaccination" zones.

Be prepared to provide proof of vaccination on request.

RETURNING HOME

Say goodbye to Fiji and hello to the reality of heading home. Keep it fuss-free by:

Meeting your country's re-entry protocols by getting either a Rapid Test or RT-PCR Test in Fiji in time, before heading home.
